

MSH, a subsidiary of Diot-Siaci, announces the opening of a new regional office in Kuala-Lumpur, Malaysia

Paris, July 16, 2024 – MSH, world leader in international health insurance with over 700,000 insured members worldwide, announces the opening of a center of excellence in Kuala-Lumpur, Malaysia. This new regional office strengthens MSH's presence in South-East Asia, consolidating its global presence across the world.

This geographic expansion reflects our strategic commitment to proximity and optimal service for our insured members worldwide.

This new center of excellence enables us to guarantee responsive customer service and offer personalized advice from specialists with in-depth knowledge of the local healthcare ecosystems.

Said Frédéric GRAND, Managing Director of MSH, **"With this new office in Kuala-Lumpur, we are strengthening MSH's global network and consolidating our presence in South-East Asia, a dynamic and fast-growing region, particularly in the international health sector."**

"We are delighted to welcome Melinda TAN, Director of our MSH Center of Excellence in Malaysia, who will work with her team to strengthen our proximity to MSH insured members in the region and support them in their formalities as a trusted medical partner," added Dhouha GAAYA, Director of Operations and Transformation at MSH.

About MSH: MSH, a subsidiary of Diot-Siaci, is a world leader in the design and management of international Health and Life and Disability insurance solutions for internationally mobile persons. Its services are designed for employees of multinationals, micro businesses, SMEs, employees of international organizations, and individual expatriates as well as locals in need of international insurance coverage. With its decentralized structure and 10 centers of excellence around the world, MSH provides 24/7 support to its 7,000 corporate clients, including two thirds of CAC40 companies, and more than 700,000 insured members in 193 countries.
